Please note: The NeighborhoodLIFT program requires that one of the borrowers on the LIFT loan complete an eight-hour homebuyer education course prior to closing from an agency that is approved by the U.S. Department of Housing and Urban Development and has adopted the National Industry Standards for Homeownership Education. Please inquire with the agency directly to ensure they meet these requirements. Approved online homebuyer education courses are acceptable; however, a one-hour one-on-one counseling session may be required to receive a certificate of completion.
